

The Optimus Group terminates \$5.5 million equipment lease facility for Healthcare Provider.

Advisor to corporate lessees negotiated termination of existing lease facility commitment resulting in over \$2.8 million in client savings.

March 9th, 2009 | Mission Viejo, CA | The Optimus Group is pleased to announce the successful termination of a \$5.5 million equipment lease facility for a \$1 billion healthcare provider. The lease facility was intended to be for a variety of new healthcare technology.

“We are extremely satisfied that we were able to negotiate a successful termination that resulted in a long term savings for our client of over \$2.8 million” said Jay Zeinfeld, President of The Optimus Group. “Terminating lease facilities in the current economic environment can be very productive for financial professionals looking to improve cash flow and the bottom line.”

About The Optimus Group

The Optimus Group provides financial advice on equipment lease and loan transactions, potential contract conflicts, optimal lease or loan structures, early termination, upgrade/replacement rights, default provisions, FMV and other end of term disputes, casualty loss, and forced renewals and extensions. Working closely with Chief Financial Officers, Vice Presidents of Finance, Corporate Treasurers and Corporate Purchasing executives from a variety of industries, The Optimus Group reduces expenses by eliminating unnecessary financing costs. Clients include publicly traded and privately held businesses with revenues that range from \$100 Million to over \$10 Billion.
